Mission Statement

The Williamsburg Sailing Foundation is a volunteer, community based non-profit 501(c) (3) organization dedicated to promoting the sport of sailing. WSF is committed to community-wide participation through outreach programs emphasizing youth, learn-to-sail, and race training.

Membership Benefits

- Kingsmill Resort Marina is the ideal location for first time, novice and youth sailors.
- Scheduled open sail dates will be posted on our calendar during the year at our Kingsmill facility for skill certified members. Certified members must register in advance and pay a fee (\$40.00 per half-day) for boat utilization (parents must remain on the premises for members 8-13 years of age). There will be a Certified Sailing Instructor and safety boat on the water during open sail.
- Sailing Instruction – Basic Sailing Course and Individual Instruction

- Boats are available on a first registered first serve basis with the exception of scheduled instruction, events, and regattas.
- Volunteering is an excellent way to learn about race organizing and other facets of sailing management.
- Senior, Adult, Student, and Family memberships are annual from date of registration.
- High School/College team memberships are annual from August 15th through August 14th of the next year (**No Pro-ration**). The Coaching seasons are as follows: **Fall season starts August 15th and ends the 2nd week of November, Spring season starts March 1st and ends the last week of May.**
